IMPAIRMENT AND TREATMENT OF CLAIMS UNDER THE PLAN

The Plan will be summarized by incorporation of pertinent portions. Other provisions of the Plan are extremely important, especially Article I, Definitions. The Plan should be read in full.

1.0 Secured Claims:

1.01 **North Mill Credit Trust f/k/a EFS Credit Trust**: This Class consists of the claim of North Mill Credit Trust f/k/a EFS Credit Trust (hereinafter “EFS”) in the approximate amount of \$41,067.62 and is impaired. The Claim of EFS is secured by a lien on a 2017 Rampant low boy 35-ton trailer which is owned by the Debtor but used by Monster Concrete and Excavation in its operations. The Debtor proposes that this claim be paid by Monster Concrete and Excavation, pursuant to its plan, in monthly payments of \$779.71 per month for 60 months with interest at 5.25%, per annum until the debt is paid in full. EFS shall retain its lien on this collateral until the debt is paid in full.

1.02 **Internal Revenue Service:**¹ This Class consists of the Allowed Secured Claim of the IRS and is impaired. The IRS has filed a secured claim in the approximate sum of \$467,808.65. The Debtor proposes that this claim be paid by Monster Concrete and Excavation, pursuant to its plan of reorganization. That plan proposes that Monster Concrete and Excavation (MCE) will pay settle and satisfy this claim over period of ninety-two (92) months at the Internal Revenue Code interest rate of 4.00%. MCE shall remit sixty (60) monthly payments in the sum of \$4,736.34 and thirty-two (32) payments in the sum of \$8,486.44 to the IRS. The first monthly installment shall be due on or before August 1, 2019 and subsequent installments shall be due on the 1st day of each month thereafter until said debt has been paid in full. MCE reserves the right to prepay the portion of the IRS secured claim during the referenced payment period.

The IRS shall retain its tax liens which were filed pre-petition and shall not be required to release said tax liens until the secured and general unsecured amounts of its claim have been paid in full per the terms of the confirmed plan.

For the tax periods listed on the amended claim filed by the IRS, the time periods found at 26 U.S.C. §§ 6503(b) and 6503(h) are tolled during the term for repayment stated in this plan.

For the tax periods listed on the amended claim, the time periods found at 11 U.S.C. § 507(a)(8) are tolled during the term for repayment stated in this plan.

¹ Debtor's classification of these secured tax claims is in accordance with the Bankruptcy Code. See e.g. *In re Tree of Life Church*, 522 B.R. 849, 861 (Bankr. D.S.C. 2015); *In re Greenwood Point, LP*, 445 B.R. 885, 905 (Bankr. S.D. Ind. 2011).

The IRS tax debt for the tax periods listed on the amended IRS claim shall not be the subject of any discharge entered in this case until the Debtor has complied with the terms of the repayment of the IRS debt as set forth herein.

The IRS reserves the right to adjust the amount of its claim if it determined through the IRS administrative process that the amounts due on any tax period listed on the IRS claim are due to be adjusted.

Assuming that the case of Monster Concrete and Excavation (“MCE”) is substantively consolidated with the case of Monster Concrete the following additional secured claims would be satisfied as follows:

1.03 **Alabama Department of Revenue:** This Class consists of the Allowed Secured Claim of Alabama Department of Revenue (“ADOR”) in the approximate amount of \$7,519.00 and is impaired. ADOR is secured by a tax lien on Monster Concrete and Excavation’s equipment, inventory and accounts receivables pursuant to a tax lien. Debtor will pay, settle and satisfy this debt by making monthly payments to ADOR in the amount of \$166.43 per month for Forty-Eight months commencing on the Effective Date of the Plan and continuing each month thereafter until the Debt is paid in full. This claim includes interest at 3% per annum. This creditor will retain its lien upon this collateral until such time as the debt is paid in full.

1.04 **Caterpillar Financial Services:** This Class consists of the Allowed Secured Claim of Caterpillar Financial Services in the approximate amount of \$30,054.34 and is impaired. The Claim of Caterpillar is secured by a lien on a 320CL

Hydraulic Excavator & Bucket. On May 29, 2018 this Court approved payment of the adequate protection payments by the Debtor's to Caterpillar in the amount \$1,851.03 per month beginning in April, 2018 [Doc. 80]. This payment includes interest at the contract rate of 8.95 percent. Debtor will continue to pay this debt pursuant to the terms of this Court's prior order until the debt is paid in full. Debtor estimates that the payment period is approximately 16 months.

- 1.05 **Mack Financial Services:** This Class consists of the Allowed Secured Claim of Mack Financial Services in the approximate amount of \$18,414.55 and is impaired. The Claim of Mack is secured by a lien on a 2011 Mack Truck. The Debtor will pay, settle and satisfy this debt by making monthly payments to Mack in the amount of \$426.15 per month. This payment includes interest at the contract rate of 5.25 percent. Debtor will continue to pay This debt pursuant to the terms of This Court's prior order until the debt is paid in full. Debtor estimates that the payment period is approximately 16 months.
- 1.06 **Bravo Capital:** This Class consists of the Allowed Secured Claim of Bravo Capital Financial Services in the approximate amount of \$88,444.65 and is impaired. The Claim of Caterpillar is secured by a lien on a 2012 John Deer 605C and a 2005 Mack CV713 Truck. On April 26, 2018 this Court approved payment of the adequate protection payments by the Debtor to Bravo \$10,094.76 beginning in April, 2018 [Doc. 66]. This payment includes interest at the contract rate. Debtor will continue to pay This debt pursuant to the terms of This Court's prior order until the debt is paid in full. Debtor estimates that the payment period

is approximately 10 months.

2.0 Non-priority Unsecured Claims: This class consists of all allowed general unsecured claims which are impaired. This class includes the general unsecured claim of the IRS claim in the sum of \$6,478.55. The total amount of unsecured claims exceeds \$547,000. The claims are of every kind and nature including claims arising from personal guarantees, the rejection of executory contracts, unexpired lease claims, deficiencies on secured claims, contract damage claims or open account claims and damages arising from or related to any liquidated or contingent claim. It also includes any debt which is filed as a priority or secured claim but, which is allowed as an unsecured claim by the Bankruptcy Court. Holders of Allowed Claims in this class as determined on or before the Effective Date of the Plan shall be paid a pro rata distribution. Payment to Allowed Claims in this class shall be made pursuant to the terms of Class 2.0 MCE's Plan (General Unsecured Creditor Class) from its future net income. Debtor reasonably believes that creditors in this class will receive a distribution equal to no less than fifty percent (50%) of their Allowed Claim. Allowed Claims in this class shall receive monthly payments starting on the Effective Date of the Plan over a period of sixty consecutive months.

3.0 Intercompany Claims: Intercompany Claims exist to the extent that Monster Concrete and Excavation uses the equipment belonging to Debtor. There is no written lease agreement between the two companies; however, Monster Concrete and Excavation is paying the secured creditors of Debtor. Such Intercompany Claims shall be reinstated and distributions continued pursuant to the Plan.

4.0 Equity Interest Holder: This Class consists of the equity shareholder of the debtor which consists of Steve Williams, who owns One hundred percent (100%) of the issued and

outstanding stock. Mr. Williams will not retain or receive any distribution on account of his ownership in the Debtor. Upon Substantive Consolidation Mr. Williams' equity ownership in the Debtor shall be retired and he shall cease to own such interest. Mr. Williams will retain his equity interest in Monster Concrete and Excavation, but he shall not, however, receive a distribution based on his Claim under the Plan until allowed administrative, priority and unsecured claimants have been paid or otherwise satisfied as provided for herein.

TREATMENT OF UNCLASSIFIED ADMINISTRATIVE EXPENSES AND PRIORITY TAX CLAIMS

Administrative Expense Claims: All Administrative Claims shall be paid through the Chapter 11 case of Monster Concrete and Excavation, as follows:

- 1.01 Heard, Ary & Dauro, LLC:** This Administrative Expense Claim is unimpaired and shall be paid in full as of the Effective Date of the Plan unless otherwise agreed upon by the parties.
- 1.02 Davis, Redding & Associates, CPA.** The Debtor has also incurred accounting fees from Davis, Redding & Associates, LLC in the approximate amount of \$2,400 as of May 31, 2018.

Priority claims:

Alabama Department of Revenue: Pre petition the Debtor owed the Alabama Department of Revenue the sum of \$23,072.01 for withholding taxes which is a priority claim under §507(a)(8) of the Bankruptcy Code. This amount shall be paid by Monster Concrete and Excavation upon the confirmation of its Plan, in sixty (60) equal monthly payments of \$424.91 which payment includes interest at 4%. The first payment shall be

due on the Effective Date of the Plan and subsequent payments shall be due on the 1st day of each monthly thereafter until said debt has been paid in full.

IV.

**PROVISIONS FOR REJECTION AND ASSUMPTION
OF EXECUTORY CONTRACTS**

Debtor is not aware of any additional executory contracts or unexpired leases to which it is a party. To the extent such exists it is to be rejected upon confirmation. All parties to any executory contract or lease rejected shall have thirty (30) days from the Confirmation Date in which to file a claim for damages, if any, resulting from such rejection or such claims will be disallowed and will not be eligible to participate in distributions under this Plan.

V.

MEANS OF EXECUTION OF THE PLAN

5.01 Means of Implementation of the Plan. As part of the implementation of its Plan, the Debtor has proposed that its case be substantively consolidated with Monster Concrete and Excavation, LLC Case No. 18-80279, upon confirmation of this Plan. Substantive consolidation involves the pooling of the assets and liabilities of two or more related entities; the liabilities of the entities involved are then satisfied from the common pool of assets created by consolidation. *Eastgroup Properties v. S. Motel Ass'n, Ltd.*, 935 F.2d 245, 248 (11th Cir. 1991). Substantive Consolidation is appropriate where benefits of consolidation outweigh the harm it inflicts on objecting parties, if any.

In this case there are good reasons to combine these companies. All business currently being done by the two companies, is being done through Monster Concrete and Excavation. The majority of the income is generated utilizing assets belonging to Monster Concrete and the two

companies share many of the same creditors. There would also be cost savings by avoiding duplication by consolidation and consolidation will recognize that which has been intended; that the two companies really are just one. Debtor incorporates the arguments contained in the Motion for Substantive Consolidation [18-80279; Doc 104] in further support of this consolidation.

Absent substantive consolidation the unsecured creditors of Debtor will be paid little if any portion of their claim. Moreover, the creditors of Monster Concrete and Excavation will not be prejudiced by substantive consolidation. In fact, they actually benefit by Monster Concrete and Excavation using equipment belonging to Debtor and thereby avoiding having to spend additional monies to purchase new equipment. These savings can then be used to as part of the plan payments to the creditors of both Monster Concrete and Monster Concrete and Excavation. In the event the cases are not consolidated then it is likely that the claims in the Monster Concrete case would not receive any distribution as this case would likely be dismissed. Debtor would not have any means of reorganizing its debts since it is not operating. The dismissal of Debtor's case, however, would expose Monster Concrete and Excavation to potential claims for successor liability and stay relief motions from those secured creditors for which Debtor is obligated to pay the debt but which Monster Concrete and Excavation is using the equipment.

5.02 Execution of All Documents. The Plan authorizes the Debtor to execute all documents necessary to carry out the terms of the Plan.

5.03 Objections to Claims and Allowance. No payment or distribution shall be made to the holder of a Claim against which an objection has been filed within thirty (30) days of the Effective Date until any such objection to a Claim has been determined by Final Order of the

Court. Disputed and unliquidated Claims shall be estimated for purposes of voting and unless the Court orders otherwise, payments to holders of contested claims that are subsequently allowed shall be made in accordance with the terms of the Plan. Contest of Claims shall be filed with the Court no later than sixty (60) days after the Effective Date.

5.04 Amendments to Claims and Requests for Payment of Administrative Expense Claims; Claims Filed After the Bar Dates. Unless otherwise provided in a Final Order of the Bankruptcy Court:

- (a) after the Bar Date, a Claim on account of which a Proof of Claim is not timely filed in accordance with the Plan, the Bankruptcy Code, the Bankruptcy Rules or an Order of the Bankruptcy Court, may not be filed or amended without the authorization of the Bankruptcy Court and, even with such Bankruptcy Court authorization, may be amended by the holder of such Claim solely to decrease, but not to increase, the face amount or priority;
- (b) except as otherwise provided herein, after the Administrative Expense Claims Bar Date, a Claim on account of which a request for payment of Administrative Expense Claim is not timely filed may not be filed or amended without the authorization of the Bankruptcy Court and, even with such Bankruptcy Court authorization, may be amended by the holder of such Claim solely to decrease, but not to increase, the face amount or priority; and
- (c) Except as otherwise provided in the Plan, any new or amended Claim filed after the Bar Date or the Administrative Expense Claims Bar Date (as applicable) shall be deemed Disallowed in full and expunged without any action by the Plan Proponent, unless the holder of such Claim has obtained prior Bankruptcy Court authorization for the filing. The holder of a Claim which is disallowed pursuant to this Section 5.04 shall not receive any distribution on

account of such Claim. The Plan Proponent shall file with the Bankruptcy Court and serve on the holder of any Claim whose Claim is deemed Disallowed pursuant to this Section 5.04, but whose Proof of Claim or request for payment of an Administrative Expense Claim is subsequently deemed timely filed or Allowed notwithstanding this Section 5.04 by a Final Order of the Bankruptcy Court, any Objection to such Claim or request for estimation thereof within sixty (60) days (or such later date as the Bankruptcy Court shall approve) after any such order becomes a Final Order.

5.05 Retention of Assets. Except as provided for in the Plan, or in the order confirming the Plan, on the Confirmation Date, the Debtor shall be vested with all of the property of the estate, and the Debtor shall retain all property rights free and clear of all liens, charges, and other interests of the creditors.

VI.

If such modification is made after acceptance hereof, this Plan as so modified shall be deemed accepted by all holders of Claims and Equity Interests that have previously accepted this plan, provided that this Court finds that such modification would not materially and adversely

Section IV hereof.

(e) Confirmation shall constitute approval by this Court of all financing arrangements, leases, contracts, and other actions that the Debtor proposes in the Disclosure Statement or herein, to enter into, make, or take in connection with implementation hereof, including the execution of any documents as of the Effective Date.

VII

DISCHARGE

Except as otherwise provided in the Plan or in the Confirmation Order, confirmation creates a discharge effective as of the date of entry of the Confirmation Order, of any and all debts of the Debtor that arose at any time before the Confirmation, including but not limited to, all principal and interest, whether accrued before or after the Filing Date, pursuant to § 1141 (d) (1) and 506 (d) of the Code. The discharge shall be effective as to each Claim, regardless of whether a proof of claim therefor was filed, whether the Claim is an allowed claim, or whether the holder thereof votes to accept the Plan. The rights afforded in the Plan shall be in exchange for and in complete satisfaction, discharge and release of all Claims and interests of any nature whatsoever.
